The best holiday club that I've chosen, all the children have smiles on their faces. My daughter always has fun and makes new friends. She is given the opportunity to try something different each time and it builds her confidence and ability in the activities that she takes part in.

Fit For Sport Activity Camps cater for children between the ages of 4-12 years old, although our leisure centre settings can no longer accommodate for 4 year olds. Please note that times, prices and activities vary depending on the venue, so for more information on what your nearest camp offers visit www.fitforsport.co.uk.
